

The 13th International Conference of the Jordan Cardiac Society

Organized by: The Jordan Cardiac Society

Scientific Program

Venue: “Le Meridien Hotel” Amman

8-9 November 2017

CME: 12 HOURS

Scientific Program

DAY ONE

Venue: Le Meridien Hotel, Amman
The Royal Convention Centre
“Hall A”

07:30-08:00	Registration
-------------	--------------

WEDNESDAY 8/11/2017

Session 1: (08:00-10:30)

Coronary Artery Disease and Heart Transplantation

Chairpersons: Marwan Al-Nimri, MD / Saad Jaber, MD / Akram Saleh, MD /
Mustafa Jammal, MD

08:00-08:20	The Story of angina and Myocardial infarction Yousef Goussous, Jordan
-------------	--

08:20-08:40	Current Status of Heart Transplantation in India/ Running Asia’s biggest heart Transplantation Program K R Balakrishnan, India
-------------	---

08:40-09:00	Update in heart transplantation Nawwar Al Attar, UK
-------------	--

09:00-09:20	Complex PCI Haitham Amin, Bahrain
-------------	--

09:20-09:40	How to manage multi-vessel disease in STEMI patients Magdi El-Omar, UK
-------------	---

09:40-10:00	Retrograde wire cross versus CART Abdallah Omeish, Jordan
-------------	--

10:00-10:30	Coffee Break
-------------	--------------

Scientific Program

DAY ONE

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

WEDNESDAY 8/11/2017	
Session 2: (10:30-12:50) Vascular Disease and Cardiac Anesthesia	
Chairpersons: Bassam Akasheh, MD / Ali Obeidat, MD / Yaser Al-Ghoul, MD / Moaath Al-Smady, MD	
10:30-10:50	Contemporary management Aortic syndromes Rafat Jaber, USA
10:50-11:10	Current Trends in the Management of Acute Aortic Dissection. Ragheb Hasan, UK
11:10-11:30	Type B dissection complicated vs non complicated when to intervene. Rafat Jaber, USA
11:30-11:50	Sutureless the optimum solution in complex cases with the heart valve section. Selim Cemil Isbir, Turkey
11:50-12:10	Anesthesia and echocardiography for the TAVI procedures. Gerhard Wagner, Germany
12:10-12:30	Contemporary Endovascular of management of peripheral vascular diseases. Rafat Jaber, USA
12:30-12:50	Anesthesia and intraoperative echocardiography for Minimally invasive mitral valve surgery. Gerhard Wagner, Germany
12:50-14:00	Lunch

Scientific Program

DAY ONE

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

WEDNESDAY 8/11/2017	
Session 3: (14:00-16:20)	
Chairpersons: Hussein Amrat, MD / Hatem Abbadi, MD / Ayman Odeh, MD / Issa Ghanma, MD	
14:00-14:15	Heart Transplantation and Organ Donation in India K R Balakrishnan, India
14:15-14:30	Peadiatric Heart Transplantation - Challenges and Outcomes K R Balakrishnan, India
14:30-14:45	Minimally invasive techniques in cardiac surgery challenge intraoperative myocardial protection. Claus Preusse, Germany
14:45-15:00	Bioimpedance and morphological analyses in newborn hearts protected by HTK or Del Nido solutions. Claus Preusse, Germany
15:00-15:20	Innovations in Cardiology Mohammad Hajjiri, USA
15:20-15:40	Our Experience in EPS in QAHI Issa Ghanma, Jordan
15:40-15:00	Laser Extraction of Cardiac devices Mohammad Hajjiri, USA
15:00-16:20	Stem Cells and arrhythmias Mohammad Hajjiri, USA
16:20-16:40	Coffee Break

Scientific Program

DAY ONE

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

WEDNESDAY 8/11/2017	
Session 4: (16:40-18:30) Valvular Heart Disease	
Chairpersons: Ali Abu-Rumman, MD / Bahi Hyasat, MD / Walid Deames, MD	
16:40-16:55	Heart Valves – Endoscopic Approach Emad Al Jaber, Italy
16:55-17:15	Frailty and Trans-Catheter Valve Replacement. Ragheb Hasan, UK
17:15-17:30	TAVI: Current status and local perspective Imad Alhaddad, Jordan
17:30-17:45	IS TAVI BECOMING THE TREATMENT OF CHOICE IN PATIENTS UNDERGOING AORTIC VALVE REPLACEMENT WITH PREVIOUS PATENT DOUBLE IMA Georges Tedy, Lebanon
17:45-18:00	Minimal invasive mitral valve repair – live in a box Joerg Seeburger, Germany
18:00-18:15	Zaneta Bandzuchova: Minimally invasive approaches for surgical closure of atrial septal defect in children. Roman Gebauer, Czech Republic
18:15-18:30	Outcome after surgical repair of Ebstein anomaly in adulthood Roman Gebauer, Czech Republic
20:00	GALA DINNER

Scientific Program

DAY TWO

Venue: Le Meridien Hotel, Amman
The Royal Convention Centre
“Hall A”

07:30-08:00	Registration
--------------------	---------------------

THURSDAY 9/11/2017

Session 1: (08:00-09:00)

	Chairpersons: Fakhri Al-Hakim, MD / Awni Madani, MD / Basel Harahsheh, MD / Mazen Naghawi, MD
--	---

08:00-08:10	Cardiac Enhanced Recovery After Surgery (C-ERAS) - Are We making any difference? Sanjeet Singh, Sudeep Das De, Ahmed Al-Adhami, Kirsty Graham, Giuseppe Bozzetti, Fraser Sutherland, Nawwar Al-Attar, Zahid Mahmood
08:10-08:20	The Best Choice of Surgical Approach in Neonatal systemic to pulmonary artery Shunt procedure Zeid Makahleh, Jordan
08:20-08:30	Left main intermediate lesions, physiological VS imaging evaluation. Hadi Abu Hantash, Jordan
08:30-08:40	Autologous Main Pulmonary Patch in the reconstruction of hypoplastic aortic arch Dr. Yousef Zurikat, Dr. Yaser Al-Ghoul, Dr. Sakher Maayah, Dr. Khalid Maaloof, Jordan
08:40-08:50	Catheter management of pulmonary atresia and intact ventricular septum. Case series of Jordan University Hospital Iyad Al-Ammouri, Jordan
08:50-09:00	Correlation between educational level and atherosclerosis major risk factors Arwa Khashan, Jordan

Scientific Program

DAY TWO

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

THURSDAY 9/11/2017	
Session 2: (09:00-10:40) Coronary Artery Disease	
Chairpersons: Mo'ayad Al-Naser, MD / Adnan Al-Laham, MD / Emad Hijazi, MD	
09:00-09:20	Impact of peri-operative arrhythmias on post-operative outcome in Valvular Surgery. Naseer Ahmed, Italy
09:20-09:40	Right Coronary Artery Re-implantation Saad Jaber, Jordan
09:40-10:00	Pharmacological Cardioprotection against Ischemia-Reperfusion Injury related to Cardioplegic Arrest Naseer Ahmed, Italy
10:00-10:20	New anti-fibrotic modalities in Ischemic Heart Diseases Naseer Ahmed, Italy
10:20-10:40	Evolution of Cardiac Surgery Loris Salvador, Italy
10:40 -11:20	Coffee Break

Scientific Program

DAY TWO

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

THURSDAY 9/11/2017	
Session 3: (11:20-12:40) Congenital Heart Disease	
Chairpersons: Hussam Nesheiwat, MD / Abdelfattah Abu-Haweleh, MD / Yousef Zurikat, MD / Iyad Ammouri, MD	
11:20-11:40	Coronary arteriovenous fistulae: Indications for closure and technical considerations Ziad HJazi, Qatar
11:40-12:00	Percutaneous Pulmonary valve implantation: State of the art Ziad HJazi, Qatar
12:00-12:20	Surgical approaches to TGA VSD and LVOTO. Abdel Raouf Saeedi, KSA
12:20-12:40	AV Canal repair 10 years' experience with left sided component augmentation. Abdel Raouf Saeedi, KSA
12:40-13:20	Novartis Heart Failure Symposium Moderator: Entresto, the New Paradigm in HFrEF treatment Julio Núñez (Spain)
13:20-14:30	Lunch Sponsored By Novartis

Scientific Program

DAY TWO

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall A”

THURSDAY 9/11/2017	
Session 4: (14:30-16:00)	
Chairpersons: Ibrahim Jarad, MD / Waleed Sawalha, MD / Emad Khreisat, MD / Khaled Salaymeh, MD	
14:30-14:45	Preliminary results of JES awareness campaigns in HTN Mustafa Jammal, Jordan
14:45-15:00	Jordanian Experience in Transcatheter Pulmonary Valve Insertion. Abdelfatah Abu Haweleh, Jordan
15:00-15:15	Endovascular solutions for post cardiac surgery complications of the ascending aorta Nawwar Al Attar, UK
15:15-15:30	Final results of the first Jordanian PCI Registry (JoPCR1): Lessons and Future Directions Ayman Hammoudeh, Jordan
15:30-15:45	Cardiac biomarkers brief view Eyas Al-Mousa, Jordan
15:45-16:00	The role of coronary CTA in the evaluation of chest pain in the ER. Ramzi Tabbalat, Jordan
16:00-16:30	Coffee Break

THURSDAY 9/11/2017	
Session 5: (16:30-17:30) Electrophysiology	
Chairpersons: Nazih Kadri, MD / Yahya Badaine, MD / Issa Ghanma, MD / Munir Zaqa, MD	
16:30-16:50	Defibrillators – Current device choice in children and young people Janice Till, UK
16:50-17:10	Long QT syndrome Janice Till, UK
17:10-17:30	Relation between Smoking and Vasovagal Tendency: Result of a Survey among College Students Munir Q Zaqa, Ayman J Hammoudeh, Aws T Al-Mukhtar, Akeel T Al-Kazwini, Suhad S Abu Mweis

THURSDAY 9/11/2017

08:00-12:40

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall B”

The 3rd Scientific Meeting of Allied Cardiac Professions

المؤتمر الثالث للمهن الطبية المساندة لأمراض القلب

THURSDAY 9/11/2017

Session 1:

Chairpersons: Raid Al Amlih (Alia Heart Center), Ruwaid Rumman (Farah H), Aref Al Fauri (Royal H)

08:00-08:05 Introduction
Munir Zaqqa

08:05-08:30 Angiography using CO2
Khaled Salah Khaldi Medical Center

08:30-09:00 Implantable devices: pacemakers, defibrillators and CRT's
Fateh Abu Ajaleh Takhassusi Hospital

09:00-09:30 Questions then Break

THURSDAY 9/11/2017

Session 2:

Chairpersons: Mohammad Qawaqzeh (Hayat H), Tamara Twal (Jordan H), Nidal Rababhah (Istiklal H)

09:30-10:00 Principles of EP study
Mohammad Jawabreh Arab Medical Center

10:00-10:30 Cardiovascular certification standards
Mohammad Saleem Health Care Accreditation Council

10:30-11:00 Questions then Break

THURSDAY 9/11/2017

Session 3:

Chairpersons: Saleh Ulaimat (Hamza H), Ala Abu Hassan (Arab Medical C), Mahmoud Bani Hammad (Jazeera H)

11:00-11:30 VSD post myocardial infarction
Jihad Muhanna Islamic Hospital

11:30-12:00 Managing Anxiety in the cath lab
Laith Bader Isra Hospital

12:00-12:30 Comedy show
Mujahed Samara Ibn Al Haitham Hospital

12:30 Questions and answers. Best lecture nominated by:
Hazem Basbus (garden H), **Yaser Miqdad** (Istishari H),
Husam Al Khateeb (Hamiada H), **Hamdan Saidah** (Jordan University)

Scientific Program

DAY TWO

Venue: Le Meridien Hotel, Amman

The Royal Convention Centre

“Hall B”

THURSDAY 9/11/2017

ECG Workshop

(14:30-16:15)

Chairpersons:

14:30-14:50 **Introduction to ECG**
Issa Ghanma, Jordan

14:50-15:10 **ECG Artifacts**
Munir Zaqa, Jordan

15:10-15:30 **SVT and Preexcitation**
Nazeh Alqaderi, Jordan

15:30-15:50 **ECG in Channelopathies**
Yahya Badaine, Jordan

15:50-16:10 **Ventricular Tachycardia**
Ismail Hamam, Jordan
